# INTRODUCTION AND GENERAL INDEX

---

HILL DIRECTORY COMPANY, publishers of Southeastern Directories, (publishers of the High Point Directory since 1933), present to subscribers and the general public, this, the 1969 edition of the High Point City Directory, which also includes Allen Jay, Archdale and Emerywood Estates. (In all, the Hill Directory and its affiliated companies publish more than 1,400 city, county, state and national Directories).

Confidence in the growth of High Point's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting High Point to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty co-operation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the High Point Directory will fulfill its mission as a source of authentic information pertaining to the community.

## Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business section which embraces a list of the names and addresses of all business and professional concerns of the community, arranged in alphabetical order under appropriate headings, a catalog of all the activities of the community. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community like High Point, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns, is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of High Point, and the name, official personnel, nature and address of each firm and corporation in the community.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each

813558

street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers and Zip Code numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

### Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of High Point and vicinity.

### The High Point Out-of-Town City Directory Library

Through the courtesy of the publishers of the High Point City Directory, a Directory Library is maintained in the offices of the High Point Chamber of Commerce, for free reference by the general public. This is one of more than 1,000 Directory Libraries installed in cities and towns throughout the United States, Canada and Puerto Rico by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

HILL DIRECTORY COMPANY,  
Publishers.

## Origin of Name

High Point was originally on the Indian Trail extending from the seashore to the mountains.

High Point derived its name from a statement made by Captain Gregg, chief engineer of the surveyors of the North Carolina Railroad, from Goldsboro to Charlotte (now leased by the Southern Railway), in which he said, "This is the highest point along the whole survey, so we will mark it "High Point."

## Industry

High Point occupies the unique position of being the Southern center of two major industries-furniture and hosiery manufacturing.

The first furniture factory was established in 1888-today there are some 80 furniture factories located here manufacturing a complete line of wooden and upholstered household furniture including also office desks and other equipment.

There are many factories which maintain private showrooms including Carolina Upholstery Company, Inc., Heritage Furniture Company, Schoonbeck Company and Tomlinson of High Point. Other showrooms are Bassett Enterprises, Inc. and American Square. In addition there are a number of exhibition buildings which display the products of approximately 600 manufacturers. These are: The Southern Furniture Exposition Building, Furniture Plaza, High Point National Furniture Mart, Merchandise Mart, Furniture Display Building, Southeastern Building and the Dealer's Mart. The combined floor space of these buildings is approaching 1½ million square feet. High Point is the focal point of the great Southern Furniture Market recognized as the only truly national furniture markets in the country, and as one of the most significant furniture markets in the world. Styles are shown to the trade at four markets each year-in April and October to a national and international audience and in January and July to a regional audience. Private showrooms and exhibition buildings are open only to members of the trade.

The daily capacity of the 28 hosiery mills of High Point exceeds 80,000 dozen pairs of hose. The manufacture of hosiery ranges from infants' host to ladies' seamless hose. The volume of men's half hose and boy socks are predominant. This makes High Point the largest producer of hosiery in the world. The first hosiery mill in High Point was established in 1905.

There is a wide diversity of manufacturing in High Point-in addition to 80 furniture factories and 28 hosiery mills, there are 252 other diversified manufacturing plants. Among these are plants manufacturing: men's and women's apparel, bus and truck bodies, mattresses, box springs, pillows, veneers, plywoods, fibre glass boats, art glass, paints, enamels, varnishes, lacquers, sealers, stains, fillers, undercoats, reducers, building materials, mirrors, glass furniture, novelties, toys, hosiery transfers, embossers' labels and seals, silk and rayon weaving, hosiery yarns, dyes, chemicals, textile oil specialties, paper boxes, corrugated shipping containers, television cabinets, textile spools, polyurethane foam, electronics, tools and dyes, springs fabric distributors, belts, asphalt products, bakery and dairy products, batting, bedding, brushes, cement blocks, signs, soaps, solvents, silk screens, feeds, flours, frames, leather products, and mill work.

The manufacturer will find in High Point many advantages so necessary for successful and profitable operation (this is proven by the successful operation of plants now located here). Among these are climate (good living and working conditions); Harmonious industrial relations, efficient public utilities, adequate electric power and modern municipal facilities.

High Point is located on the main line of the Southern Railway System between New York and New Orleans, La.

On the High Point, Thomasville and Denton Railroad, a successful short line railroad connecting, through the Winston-Salem southbound railroad, with

the Norfolk and Western Railway, the Atlantic Coast Line Railroad and the Norfolk and Southern Railroad, with through rates and service applying.

Air service through the Greensboro-High Point-Winston-Salem Airport is furnished by Eastern Airlines, United Airlines and Piedmont Airlines.

Forty eight motor freight lines operate in and out of High Point regularly. There are twelve terminals located in High Point.

### Charter and Form of Government

The original charter of the City of High Point was granted by the State Legislature in 1859.

The present charter provides for a city council consisting of a mayor and eight councilmen.

High Point is operated under the modern council-manager form of government in which an elected mayor and city council establishes policy and a professional city manager carries out this policy and administers the departments of the city.

Pursuant to provisions in the State of North Carolina Constitution, no new indebtedness may be created in any fiscal year in excess of 66.67 o/o of the amount of retired indebtedness during the previous year by vote of the citizens.

### Utilities

The city operates its own electrical distribution system serving primarily residential and commercial customers of unlimited size at rates comparable to private power rates of this area. There are 20,350 customers on the system. The system is of the most modern equipment, design and construction with a 69,000 kv loop as its backbone. The customer's voltage is regulated and there is ample capacity for major expansion. Advance system design, planning and financial programming have been done to insure a system second to none. The substantial profit from the operation of the system is reflected in other services.

Duke Power Company supplies all the electricity in our area, serving the City of High Point as a wholesale supplier and serving large industrial customers directly. Duke Power's industrial rates are among the lowest in the southeast. Present expansion plans for the Duke generating system insure adequate power for all future needs.

Piedmont Natural Gas Company supplies natural gas to the High Point area. Through its distributing system, Piedmont Natural Gas serves residential, commercial and industrial customers. The gas delivered contains not less than 1,000 BTU's per cubic foot, with a specific gravity of .60. Natural gas is available in virtually all of the industrial sections of the High Point area.

Telephone services are furnished in High Point and surrounding areas by North State Telephone Company which has pioneered in Telephony since 1905. There are at the present time 52,955 telephones in service-40,356 in High Point 10,496 in Thomasville; and 2,103 in Randleman; 129 PBX Systems; 379 long distance circuits. The company is the fourth largest of 31 telephone companies operating in the State and was the first company to install the dial system in North Carolina. The High Point Exchange Area covers over 290 square miles. Extended Area Service between High Point and the Thomasville Exchange is provided.

### Education

High Point College is one of the most dynamic and progressive educational institutions of the South. Its fundamental purpose is to prepare students for the tremendously important leadership roles of the future. In doing this, it stresses active participation and responsibility on the part of the students for their learning experiences.

It is accredited by regional, state, and church agencies and its curriculum provides for A.B., B.S., and A.B.T. degrees in 17 major fields. High academic standards are maintained and only those students who show leadership potential and are in the upper half of their school graduating class are admitted.

In addition to the regular college program, High Point College maintains an evening college for those who work, numerous special conferences, seminars, workshops, and short courses. It was the first college in the South to offer laboratory programs in leadership and continues these programs for students, faculty, church, educational, business and religious groups.

The enrollment of 1,200 represents 28 states and 4 foreign countries. The campus consists of 65 beautifully wooded acres with modern fire-proof buildings. Tuition and costs are maintained at a minimum to assure an education for anyone with the aptitude and the ambition.

**Public Schools—High Point City Schools**—The city school system with an enrollment of 13,000 and a professional staff of 566, includes eighteen schools, consisting of two senior high schools, three junior high schools, and thirteen elementary schools, housed in buildings valued at \$13,500,000.00. Seven public schools of the Guilford County System are located on the edges of High Point, as well as four Randolph County schools with a new Senior High School planned in the near future, and several Davidson County schools nearby.

The Guilford Technical Institute, a two year State-County supported institution of higher education and vocational training is located in Guilford County adjacent to the City of Jamestown. The Trustees of the Institute, through the State Board of Education, awards the Associate in Applied Science degree for studies completed satisfactorily in such curriculums as electronics, business administration, secretarial science, machine design, chemistry, furniture technology, dental hygiene, and others. Vocational curriculums include metal and machine trade, welding, drafting, auto mechanics, practical nursing, cosmetology and others. The objective of the Institute is to meet the educational needs of the community and to make useful citizens. Total enrollment is over 2,000. A high school diploma is required of students embarking in a technical program, but a diploma is not required for vocational programs provided that the individual, by state law, is a mature person, 18 years or more of age.

Private schools located in High Point include nurseries, kindergartens, and sectarian and parochial schools in grades 1 through 8.

**Colleges—High Point College.** Colleges located within easy commuting range; Wake Forest University, Winston-Salem College, Salem College, University of North Carolina at Greensboro, Greensboro College, Guilford College, Bennett College, A & T College, and Davidson County Community College.

### Population Growth

Census: 1900, 4,163; 1910, 9,525; 1920, 14,302; 1930, 36,745; 1940, 38,495; 1950, 39,973; 1960, 62,063.

### Guilford County

Guilford County is named for Frederick (Lord North), Earl of Guilford. Area 691 square miles. Formed in 1770 from Orange and Rowan Counties, Population, 246,520 (1960 Census). Estimated 1967 population, 269,513.

### City-County Building High Point

### Agriculture

Farming in Guilford County is progressive and prosperous. Climate and soil conditions are favorable and markets are numerous and accessible. Major farm products produced in the county include tobacco, corn, hay, wheat, and sweet potatoes. Dairy farming, beef production, poultry and egg production and feeder pigs are fast becoming major sources of income. The value of agricultural products produced in 1967 is \$19,440,918.00. We have one major packing plant processing cattle and hogs and five poultry processing plants capable of handling 500,000 birds per week. Many of our farmers produce strawberries and vegetable crops for our urban friends on a "pick-it-yourself" basis.

Our people are supporters of 4-H and FFA programs for our youth. Farm Bureau and Grange organizations are active throughout our county.

### Points of Interest in High Point and Nearby Territory

**AIRPORT**—municipal serving Greensboro, High Point and Winston-Salem, with 75 flights daily.

**GUILFORD COURTHOUSE NATIONAL MILITARY PARK**—Revolutionary Battle site.

**MUSEUM**—Located in Springfield Meeting House.

**SEDGEFIELD INN**—Located within 15 minutes' drive by automobile. Mild weather and ideal terrain make Guilford County a paradise for those who like golf, hunting, riding and other outdoor sports. Golf is a twelve-month's sport, and Guilford County courses are as popular with beginners as with leading professionals of the country.

**DIVERSIFIED SPORTS**—Guilford County visitors may enjoy a complete program that includes football, baseball, softball, basketball, tennis and skeet-shooting. Nearly all sports have their devotees in this great southern climate.

**AUTO TRAVEL**—Time to Pinehurst, 2 hours; Roaring Gap, 2 hours; Winston-Salem, 40 minutes; Greensboro, 30 minutes.

ASHEVILLE AND THE GREAT SMOKY MOUNTAINS NATIONAL PARK are within a few hours' drive to the west and to the east are the sounds and beaches of eastern North Carolina.

**TOMLINSON OF HIGH POINT SHOWROOMS**—Open daily to the public except during the months of January, April, July and October which are the months in which the Southern Furniture Market is held.

**THE GIANT BUREAU**—(open 8-12, 1-5 weekdays) 508 North Hamilton Street, symbolizing the city's position as a furniture manufacturing center, was formerly the office of the High Point Chamber of Commerce. It was built in 1925 at the corner of North Main Street and Church Street. It was built of wood, painted white, is 32 feet high, 27 feet long and 14 feet wide. A square screen on the top represents a mirror. The front of the building is designed to simulate a bureau with drawers and knobs. This building was moved to its present location and presented to the Junior Chamber of Commerce in 1951. This is also the headquarters for the North Carolina Junior Chamber of Commerce.

**THE JOHN HALEY HOUSE**—Located at 1805 East Lexington Avenue at the site of the future High Point Museum Historic Park. This building of handmade brick was erected in 1786 by John Haley of Quaker heritage. It was built similar to other Quaker buildings in the area although it has some German influence. On the map of North Carolina and South Carolina in 1823 it is shown as the only stopping place in this area since High Point was not chartered until 1859. Haley was a blacksmith by trade, prominent in the area and overseer of the Martinville (Guilford Courthouse) to Salisbury Road (now Lexington Avenue), and it was natural that his home became a registered stopping place for wagons or stagecoach travelers where they would partake of food and lodging while waiting for repairs to horseshoes or wagons. In 1838 Jonathan Welch purchased it and continued to run it as an Inn or Tavern.

The house still bears the marks of its stagecoach days. The bricks in the northwest corner are worn round where they were nicked by the hub of the coach as its prancing horses were brought to a stop at the door of the house.

City Lake Park

---

Purchased in 1966 by the City of High Point for restoration and controlled by the High Point Historical Society, Inc.

THE HIGH POINT MUSEUM is located in the Little Red Schoolhouse at the corner of East Ray and North Hamilton Streets. A trolley used in New Orleans from 1922 until 1963 has been returned to High Point where it was built in 1922 by the P. A. Thomas Car Works, and is on the grounds of the museum. The museum houses a Diorama of early High Point, 1900 store, early Fire Department, and many other historical collections and exhibits. Open on Sunday's 2-4 p.m. (Groups by special appointment.)

**Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.**

## Out of Sight -- Out of Mind Out of Business

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.

## PLEASE!

Do Not Lend Your  
CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100 PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000 PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

# Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

## Your City Directory Contains:

**1**

An *Alphabetical* list of names and addresses of every resident, business concern and institution, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.

**2**

A *Householders' Directory* including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.

**3**

A *Classified Business Directory*—listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.

**4**

A "*Yellow Section*" or *Buyers' Guide*, where the advertiser may explain in greater detail the services or products he has to offer.

**5**

A *Statistical and Historical Story* of your city; plus miscellaneous other information.

# WHY A Buyers' Guide?

★ *It is customary to include a Buyers' Guide in the City Directory because:*

*It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.*

**The Buyers' Guide is a necessary supplement to the regular listings; it is good City Directory information . . . EXTENDED**

## CAUTION . . . .

 Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

# **A STATEMENT of ADVERTISING PRINCIPLES**

1. **GOOD ADVERTISING**—aims to inform the consumer and help him to buy more intelligently.
2. **GOOD ADVERTISING**—tells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.
3. **GOOD ADVERTISING**—conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.
4. **GOOD ADVERTISING**—recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.
